Learning Express Toys Opens New Fashion Angels Shop

Westborough, MA, March 19, 2019 – Learning Express Toys announces the opening of their new Fashion Angels Shop at its Westborough location. The Fashion Angels shop features tween girls' lifestyle and activity products including activity kits, fashion sketch books, DIY crafts, licensed products, fashion accessories, room décor and natural beauty care.

Learning Express is proud to showcase the new products and help further Fashion Angel's mission: to empower tween girls to become confident and stylish young women by providing them with experiences that encourage them to believe in themselves, express themselves and to be happy with who they are and proud of what they can do.

"We are excited to bring quality products coupled with high style and fashion to our tween customer base!" Stacey Kracinovich said.

"The expansion on our selection for both children and tweens since re-opening the store in 2018 is just one of the reasons to pay us a visit," Rob Kracinovich said. "We also offer complimentary gift wrapping, personalization, in-store events, toy expertise and a birthday box registry program."
